- (b) Any Assessable Costs which become known to the Township following the transmittal of a statement to the Responsible Party pursuant to this Ordinance shall be billed in the same manner on a subsequent statement to the Responsible Party.
- (c) The Township Treasurer or the Treasurer's designee shall certify to the Township Manager the total Assessable Costs incurred by the Township. The Township Manager shall then decide whether to assess any, all, or part of the costs against any of the Responsible Parties. In deciding whether to assess any, all, or part of the costs against any of the Responsible Parties, the Township Manager shall consider the following factors:
 - (1) The total costs incurred by the Township, including but not limited to materials, equipment, manpower, administration, assistance from other sources, etc.;
 - (2) The risks to the Township, its residents, their property, or any other people or property which result from the situation which caused the Township to incur Assessable Costs;

 - (6) Any other factors deemed relevant by the Township Manager.
- (d) The Township Manager may, after consideration of the factors listed in subsection 3(c) above, allocate the costs among and between the Responsible Parties. Any costs not allocated among or between Responsible Parties shall be a joint and several liability of each Responsible Party assessed costs pursuant to Section 3(c), regardless of whether that Responsible Party has any other legal liability apart from this Ordinance, and regardless of whether such person is at fault.
 - (e) The Township Manager shall direct the Township Clerk to send a statement of costs assessed pursuant to this Ordinance to all Responsible Parties so assessed. Such statement shall be dated and sent First Class United States Mail, postage prepaid, to the last known address of each Responsible Party.
 - (f) The Township may charge any costs assessed pursuant to this Ordinance to the insurer of any Responsible Party. The submission of an invoice for the assessed costs to an insurer does not in any way limit or extinguish the liability of a Responsible Party for the costs assessed pursuant to this Ordinance until such time as the assessed costs are paid in full.
 - (g) If the Township Manager or the Township Board decides not to assess all or part of its costs against any Responsible Party, such decision shall not in any way extinguish or limit a Responsible Person's liability to other parties for any costs or damages of any kind arising from the Release.

Section 4. **Notice and Right to Appear Provisions.**

- (a) Any Responsible Party who receives a statement of costs assessed pursuant to this Ordinance shall be given the opportunity to appear before the Township Board to request a modification of the assessed costs. Any Responsible Party who desires to appear before the Township Board shall file a written request with the Township Clerk within 14 calendar days of the date of the statement of assessed costs. The Responsible Party will be placed on the agenda of the next regularly scheduled or special Township Board meeting which is at least 14 calendar days after the date on which the Responsible Party files with the Township Clerk a request to appear. Any filed request to appear shall specifically identify and explain all reasons why the Responsible Party believes the costs assessed pursuant to this Ordinance should be

modified. Any reason, basis or argument for a modification of the assessed costs not set forth in the written request to appear shall be deemed waived by the Responsible Party. Failure to file a written request to appear within 14 days of the date of the statement of assessed costs shall constitute a waiver of the Responsible Party's right to appear before the Township Board and the Responsible Party's agreement to pay the assessed costs, which payment must be made within 30 days of the date of the statement sent to the Responsible Party.

- (b) At the Township Board meeting, the Responsible Party shall have the opportunity to address the Township Board regarding the written request that the Township Board modify the assessed costs. The Responsible Party shall be limited, in addressing the Township Board, to those reasons and bases set forth in that Responsible Party's written request to appear. The Township Manager shall have the opportunity to address the Township Board to explain the process by which the assessed costs were determined and allocated. The Township Board, after hearing the Responsible Party and the Township Manager, shall review the assessed costs and make a final determination regarding the costs assessed to the Responsible Party. The Township Board shall pass a resolution detailing its final determination regarding the assessed costs. The Township Clerk shall then send a statement of assessed costs to the Responsible Party, by first class United States Mail, with postage prepaid, to the last known address of the Responsible Party. The assessed costs shall be due and payable 30 days from the date of that statement. If the Responsible Party fails to pay the assessed costs within those 30 days, the Township shall have available to it all remedies available under Section 5 below.

Section 5. **Failure to Pay; Procedure to Recover.** To the extent allowed by applicable law, the Township may pursue any Responsible Party under either or both subsection (a) or subsection (b) below.

- (a) Any Responsible Party who fails to timely pay the costs assessed pursuant to this Ordinance shall be considered in default. In the case of default, the Township Board may authorize the Township attorney to commence a civil action to recover the costs, plus a late payment penalty of one percent per month or part of a month during which the costs remain unpaid, together with attorneys' fees and any other costs allowed by law.
- (b) In cases where services have been rendered to real or personal property in the Township, or the owner of real or personal property in the Township, the charges shall constitute a lien on the property. If not paid within 30 days after the same is due, the Township Treasurer shall, prior to September 1 of each year, certify to the Township Assessor the facts of such delinquency. The Assessor shall then enter the delinquent amount on the next general tax roll as a charge against the property, and the lien upon the property shall be enforced in the same manner as provided by and allowed by law for delinquent and unpaid taxes.

Section 6. **Severability and Captions.** This Ordinance and its various parts, sections,

subsections, sentences, phrases and clauses are declared to be severable. If any part, section, subsection, sentence, phrase, or clause is adjudged unconstitutional or invalid, the remainder of this Ordinance shall not be affected. The captions included at the beginning of each section are for convenience only and shall not be considered a part of this Ordinance.

Section 7. **Administrative Liability**. No officer, agent, employee or member of the Township Board shall be personally liable for any damage that may accrue to any person as a result of any act or decision performed in the discharge of duties and responsibilities pursuant to this Ordinance.

Section 8. **Repeal**. All resolutions or ordinances in conflict in whole or in part with any provision of this Ordinance, specifically including Ordinance No.49 in its entirety, are repealed to the extent of such conflict.

Section 9. **Effective Date**. This Ordinance was approved and adopted by the Township Board of Laketown Township on August 13, 1997. This Ordinance shall be effective 30 days after publication in the *Holland Sentinel*, a newspaper with general circulation in the Township, pursuant to the provisions of Act No. 191 of the Michigan Public Acts of 1939, as amended.
