

Report for the Annual Meeting

The Friends of the Felt Estate

Submitted by Patricia Meyer

The Felt Estate continued to serve the public through various public events during 2021, as we took a slight step toward normalcy with fewer Covid restrictions in place.

Our attendance at our 2021 summer concert series, our fall Darkness Tours, and our Winterfest were only down slightly, and we fully expect them to rebound fully in 2022.

Our holiday tours had a record year in 2021, much to everyone's surprise. Both guided and self-guided tours were sold out nearly every day.

The upcoming 2022 summer concert series will be the four Thursdays in July. The bands are:

July 7 – Brena
July 14 – Bakker and Hanegraaff
July 21st – DownRiver Dan
July 28th – Delilah DeWylde

For the first time this year, we have decided not to have a food vendor, but we are going to allow guests to take outside food into the concerts. They will not be allowed to take in outside beverages, however. We will still have our tent selling beverages.

We hope to see everyone at our summer concerts.
