

To: Laketown Township Residents
Re: August 7, 2018, State Primary Election

Due to an oversight, please note that absentee ballot voting instructions distributed with absentee ballots to voters in Laketown Township should have included the following information. The August 7, 2018, State Primary Election is a Partisan Ballot. Please note there are three party sections on the ballot: Republican Party, Democrat Party and Libertarian Party. You may vote in one party section only; and you cannot split your ticket. If this has caused you any concerns in casting your ballot, please contact me, and we will rectify the situation.

Laketown Township Deputy Clerk
